Since these posts have been created for particular purpose and are more focused on quality, the Department proposes to change their nomenclature to School Leaders to differentiate them from regular ASDEOs.

SUBJECT: HIRING OF SCHOOL LEADERS ON CONTRACT BASIS

05. A meeting was held in the Finance Department which was attended by representative of Elementary & Secondary Education Department. The department apprised that in case of regular recruitment, the government shall bear terminal liabilities. They proposed that since this is an experiment and only after its roll out we would be able to evaluate it and necessary course correction will be done accordingly.

06. Keeping in view the above, Finance Department supports the proposal contained in para-04 of the summary being cost effective viz-a-viz regular appointment.

8. Summary for Chief Minister moved by E&SE Department regarding hiring of 2,919 School leaders (BS-16) on contract basis has been examined.

9. Creation of posts and change of nomenclature of posts in the budgetary documents is the subject matter of Finance Department which has created the posts of ASDEOs in (BS-16) and now the E&SE Department wants to convert these regular posts into contract so as to minimize the financial burden. Therefore, Finance Department agreed with the proposal of the Department at Para-5 & 6 of the Summary being cost effective.

10. With reference to para-3 of the summary read with (Annex-B), Contract Policy-2002 stipulates that "contract appointment in BS-16 & above will be made through Public Service Commission". Since the ASDEOs (BS-16) posts are to be converted on contract basis with the nomenclature of School Leaders BS-16, therefore, Establishment Department is of the view that:

- i. The posts in BPS-16 and above, according to Contract Policy-2002 are to be filled through Public Service Commission but the Department has proposed hiring through ETEA which needs clarifications.
- ii. Furthermore, the eligibility criteria as provided in para-3 of the summary would fail to attract the candidates as no opportunity seems to have been provided to the candidates of other disciplines.
- iii. Minimum qualification is questionable and the Department is required to adhere to the qualification as reflected in the Service Rules of Management cadre for regular appointment as ASDEOs (BS-16) to ensure equal opportunity and optimum competition.
- iv. The proposed JDs at Annex-A are not aligned with the existing JDs of the other units of the tier which might compromise the performance of the selected candidates as they should have clear assigned tasks and performance appraisal mechanism. The Department is required to align the JDs of the proposed unit of the existing tier i.e. Head Teachers, Head Masters, Principals, ASDEOs, SDOs and DEOs etc. Thus it is not advisable to make JDs for a single unit of the tier without updating JDs of the connected units of the same tier.
- v. Reporting structure and hierarchy are also not clarified. As a new concept the Department was required to have done proper work in order to get the maximum desired results and efficiency.

11. The summary relates to conversion of the regular posts to contract basis as well as change of nomenclature from ASDEOs to School Leaders and Finance Department has principally agreed to the same vide Para-5 & 6 of the summary, therefore, proposal of the Administrative Department contained in Para-4 read with Para-10 of the Summary may be submitted for approval of the Honorable Chief Minister Khyber Pakhtunkhwa as deemed appropriate.

13. The Committee meeting was held. The whole concept was thoroughly reviewed. Keeping in view the existence of the Directorate of E&SE Khyber Pakhtunkhwa as an operational arm of the E&SE Department and Education Monitoring Authority creating another administrative structure for monitoring of educational institutions will not be a cost-effective solution. The employees even if recruited on contract basis will ultimately seek regularization and add to the pension liabilities of the Government.

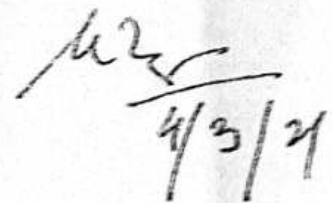

14. It was agreed that E&SE Department will review its proposal in the light of the discussions held. Summary file may be returned to the Department.

E&SE Department

Subject: HIRING OF SCHOOL LEADERS ON CONTRACT BASIS.

18. Meeting with Secretary E&SE Department was held in Finance Secretary Office to thrash out the details and reach a consensus.
19. As per the details, the Education Monitoring Authority (EMA) is a stream which visit every school once a month and is only meant for quantitative monitoring i.e. teacher & student attendance and physical assets monitoring, whereas school leaders is a stream proposed independently to monitor the quality stream of education by analyzing teachers capacities and methodology through monitoring of training programe, continuous training programe and special trainings. Furthermore, they will also monitor students learning outcomes physically for at least two complete school days in every school every month. Their feedback will help the department to gauge the performance of the teaching staff and adjust, redesign training programes for the teachers. The Directorate of E&SE an established institution is short of human resource in the field formation, therefore, they are not capable of properly monitoring the education system. To supplement these efforts, an Independent Monitoring Unit (IMU) was established to monitor the quantitative aspects of the system. To strengthen the field formation of the directorate the post of 2,919 ASDEO's were created.
20. After detail discussion and reconsideration with committee and stakeholders, it is suggested that rather than creating 2,919 seats of ASDEOs who would work in a traditional manner as part of education system. The concept of independent school leader as a specialized mechanism is proposed.
21. The mode of recruitment was also discussed in detail and it was decided that the positions will be filled on contract basis. The contract shall stand automatically terminated on the expiry of the initial period. However, in case of requirement of the job, fresh contract would be executed as per contract employment policy-2002 (F/G).
22. The matter has been amply discussed and forwarded to the committee for further necessary action.
